MDL No. 2724  
Case No. 2:16-MD-2724

HON. CYNTHIA M. RUFÉ

*Direct Purchaser Class Plaintiffs' Actions*

**AMENDED DECLARATION OF ERIC J. MILLER REGARDING  
(A) DISSEMINATION OF THE NOTICE AND (B) REPORT ON REQUESTS  
FOR EXCLUSION AND OBJECTIONS, IF ANY, RECEIVED TO DATE**

I, Eric J. Miller, hereby declare and state as follows:

1. I am a Senior Vice President with A.B. Data, Ltd. ("A.B. Data"). I am fully familiar with the facts contained herein based upon my personal knowledge, and if called as a witness, could and would testify competently thereto. I submit this amended declaration at the request of Settlement Class Counsel in connection with the above-captioned action (the "Action").

2. A.B. Data was appointed by the Court in its Order dated May 11, 2022: (1) Certifying a Settlement Class; (2) Granting Preliminary Approval of Settlement Agreements; (3) Appointing Settlement Class Counsel; (4) Appointing a Claims Administrator and Escrow Agent; (5) Approving the Form and Manner of Notice to the Settlement Class; (6) Preliminarily Approving the Form and Manner of Notice to the Settlement Class; and (7) Scheduling a Fairness Hearing (the "Preliminary Approval Order") to serve as claims administrator for the direct purchaser class settlements in this case. ECF No. 2093. A.B. Data's duties in this case include administering the distribution of notice of the settlement to class members. I am

submitting this declaration to advise the Court of A.B. Data's activities concerning distribution of notice and the results.

**Direct Mail Notice**

3. A.B. Data obtained from Settlement Class Counsel a listing of 697 potential Settlement Class members developed from a number of sources, including transactional data produced by the defendants in discovery. Settlement Class Counsel performed research to locate mailing addresses for these potential Settlement Class members. Where a potential Settlement Class member had multiple locations, each of the addresses was captured and included in the mailing database. In addition, A.B. Data supplemented the list with additional mailing addresses through review of A.B. Data's own records from other direct purchaser pharmaceutical appointments and further independent research.

4. As a result of these efforts, A.B. Data obtained the identity and office addresses of 680 potential Settlement Class members and a total of 1,624 mailing addresses for the 680 entities. A.B. Data and Settlement Class Counsel were not able to locate a mailing address for the remaining 17 potential Settlement Class members because the potential Settlement Class members were no longer in business or the name of the entity was incomplete so the actual entity could not be located.

5. On June 24, 2022, A.B. Data arranged for the mailing of the Long Form Notice (the "Notice") to all 680 potential Settlement Class members. The Notice was also mailed to the additional addresses for certain Settlement Class

members. On the same day, A.B. Data posted the Notice on [www.GenericDrugsDirectPurchaserSettlement.com](http://www.GenericDrugsDirectPurchaserSettlement.com), the website created for this litigation. A copy of the Notice is attached hereto as **Exhibit A**.

6. In sum, A.B. Data caused 1,585 Notices to be mailed to potential Settlement Class members. If all mailings to a potential Settlement Class member were returned as undeliverable as addressed by the United States Postal Service, A.B. Data performed additional research to locate an updated address or determine if the potential Settlement Class member was no longer in existence. Where an updated address was located, A.B. Data promptly remailed the Notice to the updated address.

7. On August 17, 2022, A.B. Data received from Settlement Class Counsel a listing of 62 additional potential Settlement Class member with 168 mailing addresses. A.B. Data loaded these records to the mailing database. On August 26, 2022, A.B. mailed a copy of the Notice to each of the 168 addresses included in the additional mailing list.

### **Media Notice**

8. To supplement direct notice efforts, beginning on June 24, 2022, A.B. Data caused digital banner ads to appear on The Pink Sheet website for a period of 30 days. The Pink Sheet reaches over 3,000 of the world's leading pharmaceutical, contract research organizations (CROs), medical technology, biotechnology and healthcare service providers, including the top 50 global pharma and top 10 CROs. These ads appeared on both desktop and mobile formats. 39,997 impressions have

been delivered through the conclusion of the media notice on July 21, 2022. A sample of the digital banner and newsfeed ads are attached as **Exhibit B**.

9. A.B. Data also caused the Short Form Notice to be published in *The Wall Street Journal* on June 24, 2022. A copy is attached hereto as **Exhibit C**.

#### **News Media**

10. On June 24, 2022, A.B. Data disseminated a news release via Business Wire to announce the Settlements. This news release distributed via Business Wire went to the news desks of approximately 10,000 newsrooms, including those of print, broadcast, and digital websites across the United States. A copy of the news release is attached as **Exhibit D**.

#### **Website and Telephone**

11. To assist potential Settlement Class members in understanding the terms of the Settlements and their rights, A.B. Data established a case-specific toll-free telephone number (877-315-0583), email address (info@GenericDrugsDirectPurchaserSettlement.com), and a case-specific website (www.GenericDrugsDirectPurchaserSettlement.com).

12. On June 24, 2022, A.B. Data established a case-specific toll-free telephone number with an interactive voice response (“IVR”) system which provided summary information to frequently asked questions. This also provided callers the opportunity to speak with a live customer support representative. In addition, A.B. Data has received emails to the email address established for this matter.

13. On June 24, 2022, A.B. Data established a case-specific website, [www.GenericDrugsDirectPurchaserSettlement.com](http://www.GenericDrugsDirectPurchaserSettlement.com). The website address appeared on the Notice and the newswire. The website includes case-specific information, including relevant deadlines and downloadable versions of the Notice, Settlement Agreements, Preliminary Approval Order, and other relevant documents. To date, the website has had 747 visitors.

14. On August 10, 2022, A.B. Data received copies of the: (1) Proposed Order Granting Motion for Order Pursuant to Paragraph 26 of the Court's May 11, 2022 Order; (2) Declaration of Dianne M. Nast in Support of Motion for Order Pursuant to Paragraph 26 of the Court's May 21, 2022 Order; (3) Exhibit 1 to Motion for an Order Pursuant to Paragraph 26 of the Court's May 11, 2022 Order; (4) Memorandum of Law in Support of Motion for an Order Pursuant to Paragraph 26 of the Court's May 11, 2022 Order; and (5) Motion for Order Pursuant to Paragraph 26 of the Court's May 11, 2022 Order. A.B. Data posted these documents to the case-specific website the same day.

15. On September 14, 2022, the Court entered an Order Extending the Deadline to Object to or Request Exclusion from the Sun and Taro Settlement Class and Rescheduling the Fairness Hearing (the "September Order"). On September 16, 2022, A.B. Data posted the September Order along with an update advising visitors of the updated objection and exclusion deadlines and the rescheduled Fairness Hearing date and time.

**Requests for Exclusion and Objections**

16. The Court's September Order required any Settlement Class member requesting exclusion from the Settlement Class to postmark such a request on or before January 10, 2023. As of the date of this Declaration, A.B. Data has received copies of ten requests for exclusion on behalf of 371 entities, many of which may not be direct purchasers (only 33 of the 371 entities seeking exclusion were identified as potential Settlement Class Members based on Defendants' transactional data).

17. Seven of the ten letters came from counsel for Direct Action Plaintiffs and seek the exclusion of 224 entities that appear to be subsidiaries and affiliates of 10 different Direct Action Plaintiffs. However, only 30 of these 224 Direct Action Plaintiff entities were identified as potential Settlement Class Members based on Defendants' transactional data.

18. The remaining three letters identified 147 entities that appear to be hospital systems, healthcare centers, and retail pharmacies. However, only three of these 147 entities were identified as potential Settlement Class Members based on Defendants' transactional data. Therefore, based on Defendants' transactional data, it appears that only 33 of 759 potential Settlement Class Members have requested to opt-out, and the bulk of those are Direct Action Plaintiffs that I understand have brought individual claims. Annexed hereto as **Exhibit E** is a list of the entities which have requested exclusion from the Settlement although many of them may not be direct purchasers from a defendant as indicated thereon.

19. Under the Court's September Order, the postmark deadline for a Settlement Class member to object to the settlement was January 10, 2023. The Notice directs members of the Settlement Class to mail their objection to Clerk of the United States District Court for the Eastern District of Pennsylvania with copies to Settlement Class Counsel and Settling Defendants' Counsel. As of the date of this Declaration, A.B. Data has not been notified of any objections.

I declare under penalty of perjury that the foregoing is true and correct.  
Executed on March 1, 2023.

# EXHIBIT A

IN THE UNITED STATES DISTRICT COURT FOR THE EASTERN DISTRICT OF PENNSYLVANIA

**If you purchased one or more of the Named Generic Drugs listed in Appendix A to this Notice directly from any of the pharmaceutical manufacturer Defendants listed in Appendix B to this Notice at any time from May 1, 2009 until December 31, 2019, you could get a payment from a class action settlement.**

*A federal court authorized this Notice. This is not a solicitation from a lawyer.*

The purpose of this Notice is to alert you of two proposed settlements in a Lawsuit brought by Direct Purchasers (“Settling Direct Purchaser Plaintiffs” or “DPPs”) of certain generic drugs (the “Named Generic Drugs”). The Lawsuit is a group of direct purchaser class actions coordinated under the civil docket *In re: Generic Pharmaceuticals Pricing Antitrust Litigation*, Case No. 2:16-MD-02724 (E.D. Pa.). The Lawsuit claims that generic drug manufacturers violated antitrust laws, harming competition and causing Settlement Class Members to overpay for the Named Generic Drugs. The Settling Defendants deny liability as alleged in the Lawsuit. The Court has not decided who is right. No trial has been held or scheduled.

- Two settlements have been reached between the DPPs and the Settling Defendants: (1) a proposed settlement with Sun Pharmaceutical Industries, Inc. and its affiliates Caraco Pharmaceutical Laboratories, Ltd., Mutual Pharmaceutical Company, Inc., and URL Pharma, Inc.; and (2) a proposed settlement with Taro Pharmaceuticals U.S.A., Inc. (together, the “Settlements”). Settling Defendants are alleged to have violated the antitrust laws relating to the sale of the Named Generic Drugs. The proposed Settlements do not resolve any of the claims of the Settlement Class against the remaining Defendants. The Lawsuit against the remaining Defendants is ongoing. The Named Generic Drugs are listed in Appendix A and the Defendants are listed in Appendix B.

- The Court has certified a Settlement Class comprised of:

All persons or entities, and their successors and assigns, that directly purchased one or more of the Named Generic Drugs from one or more Defendants in the United States and its territories and possessions, at any time during the period from May 1, 2009 until December 31, 2019.

Excluded from the Settlement Class are Defendants and their present and former officers, directors, management, employees, subsidiaries, or affiliates, judicial officers and their personnel, and all governmental entities.

- The Court has preliminarily approved the proposed Settlements between the Settling Direct Purchaser Plaintiffs and Settling Defendants. To resolve the DPPs' claims against Settling Defendants, the proposed Settlements will provide for the following payments by Settling Defendants: (1) \$17,357,000 payment by Sun Pharmaceutical Industries, Inc. and its affiliates Caraco Pharmaceutical Laboratories, Ltd., Mutual Pharmaceutical Company, Inc. and URL Pharma, Inc. and (2) \$67,643,000 payment by Taro Pharmaceuticals U.S.A., Inc. These payments, collectively \$85,000,000, will comprise the "Settlement Fund." The Settlement Fund may be reduced by up to \$10 million or increased to a maximum of \$105 million under certain circumstances as explained in the Settlement Agreements. As discussed below, attorneys' fees, expenses, and service awards may be deducted from these amounts with Court approval, and after deduction of attorneys' fees, expenses and service awards, the remaining amount of the Settlement Fund is referred to as the "Net Settlement Fund".
- The Court has scheduled a hearing to decide whether to approve the Settlements, the plan for allocating the Net Settlement Fund to Settlement Class Members, any requests by the attorneys for reimbursement of expenses out of the Settlement Fund, payment of service awards to the Settling Direct Purchaser Plaintiffs, and any request to hold a portion of the Settlement Fund in escrow for potential payment of attorneys' fees at a later date, with Court approval (the "Final Fairness Hearing"). The Final Fairness Hearing is scheduled for December 13, 2022, at 1:30 p.m. EST, before Judge Cynthia M. Rufe at the United States District Court for the Eastern District of Pennsylvania, Courtroom 12-A, 601 Market Street, Philadelphia, PA 19106.

## BASIC INFORMATION

### 1. WHY DID I GET THIS NOTICE?

You received this Notice because, according to available data and documents, you may have purchased one or more Named Generic Drugs directly from one or more generic manufacturer Defendants listed on Appendix B, at some time from May 1, 2009 until December 31, 2019, and therefore you may be a member of the Settlement Class that was certified by the Court for purposes of the proposed Settlements. You may have received this Notice in error so you should confirm from your own records that you purchased one or more Named Generic Drugs directly from one or more generic manufacturer Defendants at some time from May 1, 2009 to December 31, 2019.

### 2. WHAT IS THIS LAWSUIT ABOUT?

The Lawsuit is a group of proposed class actions coordinated under the docket *In re: Generic Pharmaceuticals Pricing Antitrust Litigation*, Case No. 2:16-MD-02724. Judge Cynthia M. Rufe, of the United States District Court for the Eastern District of Pennsylvania (the “Court”), is overseeing the Lawsuit and the Settlements.

The Settling Direct Purchaser Plaintiffs allege that Defendants engaged in an unlawful scheme or schemes to fix, maintain, and stabilize prices, rig bids, and engage in market and customer allocation of the Named Generic Drugs in violation of federal antitrust laws. DPPs allege that this harmed competition and caused Settlement Class Members to overpay for the Named Generic Drugs.

All Defendants, including the Settling Defendants, deny that any Settlement Class Member is entitled to damages or other relief. All Defendants, including the Settling Defendants, deny liability as to DPPs’ claims. The Settlements between Settling Direct Purchaser Plaintiffs and the Settling Defendants are not admissions of wrongdoing by any Defendant, including the Settling Defendants.

Following investigation of relevant facts, substantial fact discovery, and following arms’-length negotiations with the Settling Defendants, the Settling Direct Purchaser Plaintiffs, on behalf of the Settlement Class, entered into the Settlements with the Settling Defendants.

There has been no determination by the Court or a jury that the allegations against the Defendants or Settling Defendants have been proven or that, if proven, the conduct caused harm to any Settlement Class Members. No trial has been held or scheduled.

### 3. WHAT IS A CLASS ACTION?

In a class action, one or more people or entities called “Class Representatives” (in this case, César Castillo, LLC, FWK Holdings, LLC, Rochester Drug Cooperative, Inc., and KPH Healthcare Services, Inc.) sue on behalf of others who have similar claims (collectively, the “DPPs” or the “Settling Direct Purchaser Plaintiffs”).

The DPPs and the entities on whose behalf they have sued together constitute the “Settlement Class” or “Settlement Class Members.” Their attorneys are called “Settlement Class Counsel.”

The companies that have been sued are called the “Defendants.” In this case the Defendants are the 58 companies listed at the end of this Notice, in Appendix B.

In a class action lawsuit, one court resolves the issues for all Class Members, except for those who exclude themselves (*i.e.*, “opt out”) from the Class. The Court, by order dated May 11, 2022, has determined that the Lawsuit between DPPs and the Settling Defendants can proceed as a class action for purposes of the proposed Settlements. A copy of the Court’s order may be found at [GenericDrugsDirectPurchaserSettlement.com](http://GenericDrugsDirectPurchaserSettlement.com).

Specifically, the Court has found that:

- The number of Settlement Class Members is so numerous that joining them all into one suit is impracticable.
- Members of the Settlement Class share common legal or factual issues relating to the claims in this case.
- The claims of the DPPs are typical of the claims of the rest of the Settlement Class.
- The DPPs will fairly and adequately protect the interests of the Settlement Class.
- The common legal questions and facts predominate over questions affecting only individual members of the Settlement Class, and this Lawsuit will be more efficient than individual lawsuits.

#### 4. WHY ARE THERE SETTLEMENTS?

The Court has not decided in favor of the Settling Direct Purchaser Plaintiffs or Settling Defendants. Instead, both sides have agreed to the Settlements. Settling Direct Purchaser Plaintiffs and the Settling Defendants were preparing to proceed with the litigation and eventually go to trial, but they have now agreed to the proposed Settlements. By agreeing to the Settlements, the parties avoid the costs and uncertainty of additional discovery, motion practice, and an eventual trial, and if the Settlements are approved by the Court, Settlement Class Members will be eligible to receive a payment from the Settlements. The Settlements do not mean that any law was broken or that the Settling Defendants did anything wrong. The DPPs and Settlement Class Counsel believe that the proposed Settlements are fair, reasonable, and adequate and in the best interests of the Settlement Class.

### WHO IS IN THE SETTLEMENT CLASS AND SETTLEMENTS

#### 5. AM I PART OF THE SETTLEMENT CLASS AND THE SETTLEMENTS?

You are part of the Settlement Class if you are a person or entity in the United States and its territories that purchased one or more Named Generic Drugs directly from one or more Defendants at any time from May 1, 2009 until December 31, 2019.

More specifically, on May 11, 2022, the Court certified the following Settlement Class:

All persons or entities, and their successors and assigns, that directly purchased one or more of the Named Generic Drugs from one or more Defendants in the United States and its territories and possessions, at any time during the period from May 1, 2009 until December 31, 2019.

Excluded from the Settlement Class are Defendants and their present and former officers, directors, management, employees, subsidiaries, or affiliates, judicial officers and their personnel, and all governmental entities.

The Named Generic Drugs and Defendants are listed at the end of this Notice, in Appendices A and B.

If you are not sure whether you are included in the Settlement Class, you may call or write to the lawyers in this case at the telephone numbers or addresses listed in Question 11 below. If you wish to exclude yourself from the Settlement Class, please refer to Question 6.

#### 6. CAN I REQUEST TO BE EXCLUDED FROM THE SETTLEMENT CLASS?

Yes, the Court has set a deadline for requests for exclusion of September 23, 2022. To exclude yourself, you must send a letter via First-Class U.S. Mail saying you want to exclude yourself from the Direct Purchaser Lawsuit in *In re: Generic Pharmaceuticals Pricing Antitrust Litigation*, Case No. 2:16-MD-02724 (E.D. Pa.).

Mail the letter to: Lead Counsel for Plaintiffs and counsel for Settling Defendants listed in Section 13 of this Notice.

Be sure to include your name, address, email address, telephone number, and your signature. **Your letter requesting exclusion must be postmarked no later than September 23, 2022.**

If you exclude yourself from the Settlement Class, you will not be legally bound by anything that happens in the Lawsuit between DPPs and the Settling Defendants, and you may be able to sue (or continue to sue) the Settling Defendants in the future about the legal issues in this case. If you exclude yourself from the Settlement Class so that you can start or continue your own lawsuit against the Settling Defendants, you should talk to your own lawyer immediately because your claims will be subject to a statute of limitations, which means that your claims may expire if you do not take timely action. You need to contact your own lawyer about this issue.

If you do not exclude yourself from the Settlement Class, and you have a valid claim, you can share in the Settlements, but you will not be able to start a lawsuit, continue a lawsuit, or be part of any other lawsuit against the Settling Defendants arising from the claims released as part of these Settlements, including claims brought in the case between DPPs and the Settling Defendants. All of the Court's orders in the case between DPPs and the Settling Defendants will apply to you and legally bind you. You will also be bound by the proposed Settlements between DPPs and the Settling Defendants if the Court grants Final Approval to the proposed Settlements and enters final judgment in the case between the DPPs and the Settling Defendants.

#### 7. WHAT HAPPENS IF I DO NOTHING?

If you are a Settlement Class Member and you do nothing, you will remain in the Settlement Class and be eligible to participate in the Settlements as described in this Notice, if the Settlements are approved. **However, you will need to complete, sign, and return the Claim Form (once it is sent to you) in order to obtain a payment. It is anticipated that Defendants' sales data will be used to calculate Settlement Class Members' eligible purchases and *pro rata* share of the Net Settlement Fund, but if such data is not available from Defendants, then you may be asked to submit data showing your eligible purchases.** The date when the Claim Forms will be mailed has not yet been determined. You may check [GenericDrugsDirectPurchaserSettlement.com](http://GenericDrugsDirectPurchaserSettlement.com) for information regarding timing. At a later date, the settlement website will also have a blank Claim Form available to download.

## THE SETTLEMENT BENEFITS

### 8. WHAT DO THE SETTLEMENTS PROVIDE?

The Settling Defendants have agreed to pay a total of \$85,000,000 in cash (which may be reduced to \$75,000,000 or increased to as much as \$105,000,000 under certain circumstances as explained in the Settlements) to an interest-bearing escrow account (“Settlement Fund”) for the benefit of the Settlement Class. This will come in the form of a \$17,357,000 payment from Sun Pharmaceutical Industries, Inc. and its affiliates Caraco Pharmaceutical Laboratories, Ltd., Mutual Pharmaceutical Company, Inc. and URL Pharma, Inc.; and a \$67,643,000 payment from Taro Pharmaceuticals U.S.A., Inc. The Settlement Fund shall be held in escrow pending finality of the Settlement Agreements. The Settling Defendants also agreed to provide substantial cooperation to the DPPs in the continued litigation against the remaining Defendants.

Settlement Class Counsel will apply to the Court no later than August 9, 2022, for reimbursement of past expenses and for future expenses not to exceed a total of \$6.8 million, and service awards to the four Settling Direct Purchaser Plaintiffs of \$20,000 each for their substantial services to the Settlement Class. The Settlements also provide for payment from the Settlement Fund of up to \$500,000 in total (included within the \$6.8 million figure) for the costs of giving notice to Settlement Class members and administering the Settlements and making distributions from the fund. In addition, Settlement Class Counsel will ask the Court to set aside up to one-third of the remaining Settlement Fund after any Court awarded reimbursed expenses, notice and settlement administration costs, and service awards to Settling Direct Purchaser Plaintiffs (plus accrued interest) for payment of attorneys’ fees. Settlement Class Counsel will file a motion for an award of fees at a later appropriate time. For purposes of the objection and opt-out deadline of September 23, 2022, Settlement Class Members should assume that Settlement Class Counsel will seek attorneys’ fees of up to one-third of what remains in the Settlement Fund after any Court-awarded reimbursed expenses, notice and settlement administration costs, and service awards to Settling Direct Purchaser Plaintiffs are deducted. Settlement Class Members will have the opportunity to review, and object to, Settlement Class Counsel’s motion for attorneys’ fees after it is filed and before the Court rules. All motions for expenses, attorneys’ fees, and service awards shall be posted on the settlement website: [GenericDrugsDirectPurchaserSettlement.com](http://GenericDrugsDirectPurchaserSettlement.com).

If approved by the Court, the Net Settlement Fund, including accrued interest, (the Settlement Fund minus any court-awarded attorneys’ fees, service awards and expenses) will be distributed to the Settlement Class Members who return valid and timely Claim Forms. The distribution will be made on a *pro rata* basis, consistent with each Settlement Class Member’s aggregate weighted share of total Settlement Class purchases of the Named Generic Drugs from Defendants. In the event that data from Defendants is not available to calculate a Settlement Class Member’s *pro rata* share, such Settlement Class Member will be required to submit data showing its relevant direct purchases as requested by the Claims Administrator. As a general matter, a claimant’s *pro rata* share will be based on data from Defendants, and claimants will not be permitted to submit their own purchase data to contest these figures. This is because of the time and expense that would be involved in analyzing such additional data (expenses that would be paid out of the Settlement Fund itself), and because transaction data from Defendants is considered reliable. More information about how Settlement Class Members’ shares will be calculated is available in the Plan of Allocation, on the settlement website: [GenericDrugsDirectPurchaserSettlement.com](http://GenericDrugsDirectPurchaserSettlement.com).

In exchange, the litigation between the DPPs and the Settling Defendants will be dismissed with prejudice and Settling Defendants will be released by Settlement Class Members from all claims that have been brought or could have been brought concerning the subject matter of or acts, omissions, or other conduct alleged in Settling Direct Purchaser Plaintiffs’ class action complaints.

Non-Settling Defendants are not part of the proposed Settlements between the DPPs and the Settling Defendants. DPPs' Lawsuit against the Non-Settling Defendants is continuing.

The Settlement Agreements provide that they may be terminated if, for example, the Court does not approve the Settlements or if Settlement Class Members with aggregate purchases above a certain amount opt out. If the Settlement Agreements are terminated, the Lawsuit will proceed against the Settling Defendants as if Settlements had not been reached.

The full text of the Settlement Agreements, including the releases, are available at [GenericDrugsDirectPurchaserSettlement.com](http://GenericDrugsDirectPurchaserSettlement.com). This Notice is not meant to, and does not, alter the terms of the actual Settlement Agreements and associated releases.

#### 9. HOW CAN I GET A PAYMENT FROM THE SETTLEMENTS?

If the Court grants Final Approval to the Settlements (*see* "The Court's Fairness Hearing" below) and any resulting appeals are resolved, the Court will approve a Plan of Allocation to distribute the Settlement Fund.

If you do not exclude yourself from the Settlement Class, you will need to submit a Claim Form to request your share of the Net Settlement Fund.

- If you received this Notice in the mail, a Claim Form will be sent to you automatically and you do not need to do anything at this time to be eligible to receive a payment from the Settlements. However, while we anticipate using Defendants' sales data for eligible purchases, if such data is not available from Defendants you may be required to submit data showing your eligible purchases.
- If you did not receive this Notice in the mail, and you think you are a potential Settlement Class Member, please identify yourself or your company by letter or email to the following addresses: *In re: Generic Pharmaceuticals Pricing Antitrust Litigation* – Direct Purchasers, c/o A.B. Data, Ltd., P.O. Box 173095, Milwaukee, WI 53217. Email: [info@GenericDrugsDirectPurchaserSettlement.com](mailto:info@GenericDrugsDirectPurchaserSettlement.com). You must also include proof that you purchased at least one of the Named Generic Drugs during the period May 1, 2009 to December 31, 2019, directly from a Defendant. You may also be required to submit your purchase data showing all your eligible purchases if such data is not available from Defendants. At a later date when claim forms are mailed, a copy of the Claim Form will also be available at [GenericDrugsDirectPurchaserSettlement.com](http://GenericDrugsDirectPurchaserSettlement.com).

#### 10. WHEN WOULD I GET MY PAYMENT AND HOW MUCH WOULD IT BE?

When you get your payment depends on several matters, including whether and when the Court grants Final Approval of the Settlements. The Settlement Fund will be allocated to Settlement Class Members as soon as possible after the Court grants Final Approval of the Settlements.

You will not be responsible for calculating the amount you may be entitled to receive. The Plan of Allocation provides that you will be paid on a *pro rata* basis in proportion to how much of the Named Generic Drugs you purchased directly from Defendants from May 1, 2009 through December 31, 2019. Generally, those with more purchases will get a higher recovery. If less than 100% of the Settlement Class submit Claim Forms, you could get a larger *pro rata* share.

If the proposed Settlements are given Final Approval, but there is an appeal of the Final Approval, the appeal could take several years to resolve. Any accrued interest on the Settlement Fund will be included, *pro rata*, in the amount paid to Settlement Class Members.

If you exclude yourself from the Settlement Class, which means that you are choosing not to be a part of the Settlement Class and the Settlements, then you will not receive a share of the Net Settlement Fund.

## THE LAWYERS REPRESENTING THE CLASS

### 11. DO I HAVE A LAWYER IN THIS CASE?

The Court appointed the counsel listed below as Settlement Class Counsel:

Dianne M. Nast, Esq. Joseph N. Roda, Esq. NASTLAW LLC 1101 Market Street, Suite 2801 Philadelphia, PA 19107 (215) 923-9300 dnast@nastlaw.com jnroda@nastlaw.com <i><b>Lead Counsel for Plaintiffs</b></i>	David F. Sorensen, Esq. ### 12. HOW WILL THE LAWYERS BE PAID?

The attorneys are not asking for fees at this time. However, they are asking that one-third of the Settlement Fund, after deduction of expenses and service awards, be held in escrow for a future fee application. Settlement Class Counsel will ask now as part of the Final Approval of these Settlements for reimbursement of expenses not to exceed a total of \$6.8 million for payment of past and future expenses, including costs of administering these Settlements plus service awards in the amount of \$20,000 for each of the four named plaintiffs. If you decide not to exclude yourself from the Settlement Class, you will not have to pay these fees, costs, and expenses out of your own pocket. If the Court grants Settlement Class Counsel's requests, these amounts would be deducted from the Settlement Fund.

Any application by Settlement Class Counsel for reimbursement of expenses, service awards to the DPPs, and to hold up to a third of the Settlement Fund (net of any Court approved expenses, administration costs, and service awards to the Direct Purchaser Settling Plaintiffs) in escrow

for potential payment of attorneys' fees at a later date will be filed with the Court and made available for download and/or viewing on or before August 9, 2022, on [GenericDrugsDirectPurchaserSettlement.com](http://GenericDrugsDirectPurchaserSettlement.com), as well as at the office of the Clerk of the United States District Court for the Eastern District of Pennsylvania, 601 Market Street, Philadelphia, PA 19106-1797, during normal business hours.

## OBJECTING TO THE SETTLEMENTS

### 13. HOW DO I TELL THE COURT THAT I DON'T LIKE THE SETTLEMENTS?

If you are a Settlement Class Member (and have not excluded yourself), you can object to all or any part of the proposed Settlements and/or the application to hold up to one-third of the Settlement Fund in escrow for later payment of attorneys' fees, for reimbursement of costs and expenses, and/or service awards to the Class Representatives. You can give reasons why you think the Court should not approve it. The Court will consider your views.

To object to the Settlements, you must send a letter via First-Class U.S. Mail saying that you object to the Settlements in the Direct Purchaser Lawsuit in *In re: Generic Pharmaceuticals Pricing Antitrust Litigation*, No. 2:16-MD-02724 (E.D. Pa.) with the following information:

- Your name, address, email address, and phone number, and the name, address, and phone number of your attorney, if you have one.
- Your signature.
- Case name and number:

*In re: Generic Pharmaceuticals Pricing Antitrust Litigation*  
Case No. 2:16-MD-02724

United States District Court for the Eastern District of Pennsylvania

- The specific reasons why you object to the Settlements or any part of them.
- All documents or writings that you want the Court to consider.

Mail the objection to the Clerk of the United States District Court for the Eastern District of Pennsylvania (address below) with copies to the individuals and addresses listed below:

**Your objection must be postmarked on or before September 23, 2022.**

## THE COURT'S FAIRNESS HEARING

The Court will hold a hearing to decide whether to grant Final Approval to the Settlements and any requests for reimbursement of expenses, service awards, and a set aside for a future application for attorneys' fees ("Fairness Hearing"). You may attend and, if you have not excluded yourself from the Settlement Class, you may ask to speak, but you do not have to speak.

### 14. WHEN WILL THE COURT DECIDE WHETHER TO APPROVE THE SETTLEMENTS?

The Court has scheduled a Fairness Hearing on December 13, 2022, at 1:30 p.m. EST, at the United States District Court Eastern District of Pennsylvania, Courtroom 12-A, 601 Market Street, Philadelphia, PA 19106.

**The time and date of the Fairness Hearing may change without additional mailed notice. A notification will be placed on the settlement website. For updated information on the hearing, check [GenericDrugsDirectPurchaserSettlement.com](https://pcl.uscourts.gov), or the Court docket in this case (for a fee) through the Court's Public Access to Court Electronic Records (PACER) system at <https://pcl.uscourts.gov>.**

At the Fairness Hearing, the Court will consider whether the Settlements are fair, reasonable, and adequate. The Court may also consider the requests by Settlement Class Counsel for a set aside for attorneys' fees, reimbursement of expenses, and payment of service awards. If there are objections, the Court will consider them at that time. After the hearing, the Court will decide whether to give Final Approval to the Settlements and the other requests. There is no specific date as to when these decisions will be issued.

Any judgment issued by the Court will be binding on the Settlement Class. The Settlements, if approved by the Court and once appeals, if any, are resolved, will release all claims of the Settlement Class in the class action against the Settling Defendants.

### 15. DO I HAVE TO ATTEND THE HEARING?

No. Settlement Class Counsel will answer any questions the Court may have. However, you are welcome to attend the hearing at your own expense. If you send an objection, you do not have to come to Court to talk about it. As long as you mailed your written objection on time, to the proper addresses, and it complies with the other requirements provided above, the Court will consider it. You also may pay your own lawyer to attend the hearing, but this is not necessary. Attendance is not necessary to receive your share of the Net Settlement Fund, if the Court approves the proposed settlements.

### 16. MAY I SPEAK AT THE HEARING?

You may ask the Court for permission to speak at the Fairness Hearing. To do so, you must send a letter via First-Class U.S. Mail saying that it is your "Notice of Intention to Appear in *In re: Generic Pharmaceuticals Pricing Antitrust Litigation*, No. 2:16-MD-02724 (E.D. Pa.)." Be sure to include your name, address, email address, telephone number, and your signature. Your Notice of Intention to Appear must be postmarked no later than September 23, 2022, and must be sent to the Clerk of the Court, to Settlement Class Counsel, and to Settling Defendants' Counsel at the addresses listed in Question 13 above.

You may not speak at the hearing if you excluded yourself as a Settlement Class Member or do not send a notice of intention to appear.

CLASS ACTIONS

**If you purchased certain named generic pharmaceutical drugs *directly* from certain pharmaceutical manufacturers from May 1, 2009 through December 31, 2019, your rights may be affected by proposed class action settlements.**

*A federal court authorized this notice. This is not a solicitation from a lawyer.*

**What is the lawsuit about?** Two proposed settlements (the “Settlements”) have been reached in a class action lawsuit (“the Lawsuit”), which alleges that Sun Pharmaceutical Industries, Inc. and its affiliates Caraco Pharmaceutical Laboratories, Ltd., Mutual Pharmaceutical Company, Inc., and URL Pharma, Inc., and Taro Pharmaceuticals U.S.A., Inc. (collectively “Settling Defendants”) violated the federal antitrust laws by conspiring with other generic drug manufacturers to fix, maintain, and stabilize prices, rig bids, and engage in market and customer allocations of certain generic drugs (the “Named Generic Drugs”), causing direct purchasers of the Named Generic Drugs to pay more than they should have. The Settling Defendants deny liability as alleged in the Lawsuit. The Court has not decided who is right. The proposed Settlements do not resolve any of the claims of the Settlement Class against the remaining Defendants. The Lawsuit against the remaining Defendants is ongoing.

**Who is included?** The Court certified a Settlement Class that includes all persons or entities, and their successors and assigns, that directly purchased one or more of the Named Generic Drugs from one or more Defendants in the United States and its territories and possessions, at any time during the period from May 1, 2009 through December 31, 2019. Excluded from the Settlement Class are Defendants and their present and former officers, directors, management, employees, subsidiaries, or affiliates, judicial officers and their personnel, and all governmental entities. The Settlement Agreements listing the Named Generic Drugs and Defendants are available on the settlement website: [GenericDrugsDirectPurchaserSettlement.com](https://GenericDrugsDirectPurchaserSettlement.com). The Settlement Agreements also are on public file with the United States District Court for the Eastern District of Pennsylvania, 601 Market Street, Philadelphia, PA 19106 in the case *In re: Generic Pharmaceuticals Pricing Antitrust Litigation*, Case No. 2:16-MD-02724.

**What do the Settlements provide?** The proposed Settlements provide for the following payments by Settling Defendants: (1) \$17,357,000 payment by Sun Pharmaceutical Industries, Inc. and its affiliates Caraco Pharmaceutical Laboratories, Ltd., Mutual Pharmaceutical Company, Inc., and URL Pharma, Inc. and (2) \$67,643,000 payment by Taro Pharmaceuticals U.S.A., Inc. These payments (collectively \$85,000,000) will comprise the total “Settlement Fund.” The Settlement Fund may be reduced by up to \$10 million or increased to a maximum of \$105 million under certain circumstances as explained in the Settlement Agreements. In addition, the attorneys who have worked on the Lawsuit for the Settlement Class will seek Court approval to pay expenses, attorneys’ fees of up to one-third of the Settlement Fund, including interest, after expenses (and service awards) are deducted, and service awards for the class representatives (or named plaintiffs) out of the Settlement Fund. Any motion for expenses and service awards and to set aside one-third of the remaining Settlement Fund (plus accrued interest) for payment of attorneys’ fees will be posted on the settlement website [GenericDrugsDirectPurchaserSettlement.com](https://GenericDrugsDirectPurchaserSettlement.com) once they are filed on August 9, 2022. Settlement Class Counsel will file a motion for an award of fees at a later appropriate time.

The calculations of the dollar amount that each Settlement Class Member that submits a Claim Form will be paid from the Settlement Fund is set forth in the Plan of Allocation, which also is available on [GenericDrugsDirectPurchaserSettlement.com](https://GenericDrugsDirectPurchaserSettlement.com).

**What are your options?** If you are a Settlement Class Member and you do nothing, you will remain in the Settlement Class and be eligible to participate in the Settlements as described in this notice, if the Settlements are approved. However, you will need to complete, sign, and return the Claim Form (once it is sent to you) in order to obtain a payment. It is anticipated that Defendants’ sales data will be used to calculate Settlement Class Members’ eligible purchases and *pro rata* share of the Net Settlement Fund, but if such data is not available from Defendants then you may be required to submit data showing your eligible purchases. We do not know when the Claim Forms will be mailed. You should check [GenericDrugsDirectPurchaserSettlement.com](https://GenericDrugsDirectPurchaserSettlement.com) for information regarding timing. If you *did not* receive a Notice in the mail, and you think you are a potential Settlement Class Member, please identify yourself or your company by letter to the following address: *In re: Generic Pharmaceuticals Pricing Antitrust Litigation* – Direct Purchasers, c/o A.B. Data, Ltd., P.O. Box 173095, Milwaukee, WI 53217, or send an email to [info@GenericDrugsDirectPurchaserSettlement.com](mailto:info@GenericDrugsDirectPurchaserSettlement.com), or call 877-315-0583. You may be required to submit proof of a qualifying purchase to establish that you are a member of the Settlement Class. Claimants may also be required to submit purchase data as part of the claims process. As a Settlement Class Member, unless you opt out of the Settlements, you will be bound by all orders and judgments of the Court.

In addition, you may request exclusion from (or opt out of) the Settlements and may object to the Settlements if you do not opt out. Instructions for opting out or objecting can be found in the publicly-available case file and website, as described above. You must mail your request to opt out or your objection by September 23, 2022. The Court will hold a Fairness Hearing on **December 13, 2022 at 1:30 p.m. EST** to decide whether to approve the Settlements and any requests for fees, expenses, and service awards for the class representatives. The Court will also consider a Plan of Allocation for distributing the Settlement Fund to Settlement Class Members. If there are objections, the Court will consider them at the hearing. You do not need to attend the hearing. If you wish to appear at the hearing, you must file a “Notice of Intention to Appear” with the Court and you may hire your own attorney to appear in Court for you at your own expense.

**For more information:** Go to the website: [GenericDrugsDirectPurchaserSettlement.com](https://GenericDrugsDirectPurchaserSettlement.com) or call 877-315-0583 for more information on the Settlements, the Lawsuit, and your potential rights and options related to the Settlements. The website includes, for example, a list of the generic drugs that you would have had to purchase and a list of the generic drug manufacturers that you would have had to purchase *directly* from in order to be eligible for a payment.
